Term 4 Week 2

Oct 19 2016

Life Education

Students had an excellent time at the life education van on Tuesday. The programs delivered are always current and deal with important Health and Personal Development topics. Topics covered this time including alcohol and drugs for our oldest students, bullying and self esteem for our middle students and healthy lifestyle choices for our juniors. These lessons and skills will be revisited through weekly lessons throughout the rest of the term.

State Athletics

Best wishes to Sunny, Satriya, Jaxon and Justin in Sydney this week for the State Athletics. We already so proud of their achievements and hope they have a great time. It is an experience they will remember for the rest of their lives.

P & C

There will be a P&C meeting held next Thursday 27th October at 3pm. Everyone one is welcome to attend and contribute to planning and decision making for events happening throughout the rest of

the school year.

Staff Training

The staff will be holding extended Professional Training after school in the coming term. This will be in lieu of one of the Staff Development Days at the very end of the year. Staff will be focussing on new developments in the teaching of Mathematics and the application in current strategies to develop practical numeracy skills.

Jacaranda Thursday

Last week you received a note regarding Jacaranda Thursday 3rd November. If you have not done so, please have it filled in and return before this date. If it is not returned the school will assume that your children will be at school for the half day.

Facebook

The staff are finalising the Social Media Policy for the school which will be made available next week on the school website and will be linked through the Facebook site. If you don't already follow us on Facebook have a look; we will try and regularly post interesting things that are happening in the school and in classes.

Commonwealth Banking

"New School Banking rewards now available!"

The Commonwealth bank is encouraging student bankers to consistently borrow. They have a great reward prize pack for students who consistently borrow four weeks in a row. So start borrowing now to be in the prize draw. If you need information on Dollarmite accounts please contact the School office.
