Term 4 Week 3

Oct 27 2016

## State Athletics

An awesome effort by the boys last week at the NSW finals in the relay. Our school is so proud of you, your persistence and your courage.

Satriya competed in his 100m event but did not progress to the semi final stage. The boy who won in his heat actually won the final.

The relay team came 2nd in their heat, ran well enough in the semi final to qualify 8th fastest in the state and ended up running 7th in the final. BRILLIANT.

## P & C

There will be a P&C meeting held **TODAY** Thursday 27th October at 3pm. Everyone one is welcome to attend and contribute to planning and decision making for events happening throughout the rest of the school year.

## Jacaranda Thursday

Two weeks ago you received a note regarding Jacaranda Thursday 3rd November. If you have not done so, please have it filled in and return before

this date. If it is not returned the school will assume that your children will be at school for the half day.

## Swim School

One of the most important parts of our school year, swim school, is during weeks 6 and 7 this term. We are finalising the information and finances associated with swim school. The permission note will come out next week so families have time to get the note and money returned before it starts.

## Kids Safe Week

As part of Kids Safe Week our classes have been doing work on road safety. It is very important for adults to take every opportunity to teach our children basic road safety skills all the time. Children under 11 years still do not have the peripheral vision or decision making skills to safely negotiate crossing the road without supervision. We practised STOP, LOOK and LISTEN skills too when crossing the road.

## Absences

To help families to return absence notes the day after a student is away we have attached 8 absence slips.
