Term 2 Week 9

June 22 2016

## ***GREAT RACE SUNNY!***

He was likened to Phar Lap racing to the finish! Sunny ran his little legs off with a final sprint at the end to finish 12<sup>th</sup> in the North Coast Cross Country event. What an outstanding result against the best on the North Coast. Congratulations Sunny.

## ***A TERRIFIC ATHLETICS CARNIVAL***

"Look Mrs Lucas, I won a ribbon!" Our students entered everything. Lots of ribbons were pinned to proud little chests! Thank you students for a great day. Running after Crunch and Sip every day certainly improved your fitness this year.

Long Jump will be completed at school to finalise the age champions and winning house.

A huge thankyou must go to Gavin Stewart. With his removal truck we were able to transport all the equipment in one go. We looked very professional! We had wonderful assistance in from Rick Pope, Damien Moran, Made Pope, Dick Sullivan and ex-student Adam Bultitude. Thankyou all, your assistance was greatly appreciated.

The next carnival is the Small School's Athletics Carnival in Grafton on Wednesday July 20th. This will be in the first week back. Permission notes will be sent home this week with a list of your child's events.

## ***P AND C MEETING THIS AFTERNOON***

The last meeting for this term will be held today at 3.00pm in the staffroom. There are many things to organise for our 125 Years. Come and join the team! It's always a fun meeting.

## ***WE ARE OFF TO HOCKEY!***

Please return your permission notes for our excursion to the Grafton Hockey fields and Art

Gallery this Friday, 24th. It will be a new experience playing on a synthetic field. We have a few talented players in our midst too.

If parents in Year 3-6 wish to purchase a moulded mouthguard from a chemist (approx. \$7.00), then those children can play a game with a real ball.

## ***PARENT - TEACHER MEETINGS***

Discussing your child's education with teachers is a brilliant insight into their learning. We are always excited when talking about "our" students'. A good partnership between home and school has a powerful effect on a child's education. Research indicates that these informal discussions are at the top of the list.

Timetables were recently sent home. We hope you are able to find a time that is best for you. Please call the school if none of these are suitable.

## ***LAKE AINSWORTH CAMP***

A quick reminder that Year 5-6 permission notes are required this week to secure your child's attendance at our camp in September. This is a requirement from Lake Ainsworth, 3 months out from the camp. Thankyou.

## ***IT'S A GIRL!!***

Congratulations Mr & Mrs Moloney on the birth of your baby girl, Clare, on 9<sup>th</sup> June.

## ***BEST WISHES MRS SPICER***

Mrs Spicer will begin a teaching degree at Southern Cross University next term.

We wish her all the best on her new career path. "Aspiring to succeed by challenging potential"
