Term 3 Week 1

July 21 2016

SMALL SCHOOLS ATHLETICS CARNIVAL

Once again our teachers returned with positive comments about our student's behaviour on the day. As always, we are very proud of you.

A number of students will be competing at the District Carnival next Friday, including our Small Schools and Junior Relay teams.

We will announce the names of students going on when we are notified by the organisers. Permission notes were given to those children on the day. We have a spare here at school as well.

125 YEAR CELEBRATIONS MEETING

The next meeting is Monday 25th June at 6.00pm in the staff room. We are inching closer to our school's 125th birthday!

Save the date for Saturday 27th August for the big day.

P AND C MEETING

The next P and C Meeting is Wednesday 27th June at 3.00pm in the staff room. Come along!

SCIENCE WEEK

Education Week and Science Week will be combined this year with an incredible day being organised by Mrs Lund on Tuesday, 16th August. If you can make it, you will be amazed at where Science Education is going. The future is upon us!

Please see the attached flyer. We require construction materials from home for the morning session. Please send in cardboard boxes, cardboard rolls, cereal boxes, shoe boxes, foil rolls etc.

ROBOT DESIGN COMPETITION

This has been extended to Friday of next week. If you need a new sheet please see Mrs Lund.

LAKE AINSWORTH CAMP

Last term a note was sent home to Year 5/6 parents outlining costs and Lake Ainsworth's request to fill out their on-line medical form. These will need to be completed in the next few weeks. If you are unable to access the internet, parents may access a computer from school. Thankyou.

CANTEEN

The canteen is open **every Tuesday this Term**. Following is a message from the Tucabia P and C Canteen Committee.

"We hope your child has enjoyed canteen so far. To keep running through to the end of the year we need more volunteers. If you can't help, perhaps Grandparents could. You won't have to do it alone. You will be working with someone who has already helped out and knows what to do. So, if you can spare 4 hours for 1 or 2 Tuesdays a term, please help us out."

If you can assist, please fill out the form on the front of the newsletter and return to school. Many thanks.

Canteen Manager

Diary Dates Term 3

- July 25 - 125 yr Meeting
- July 27 - P & C Meeting

- July 28 - SGHS Y7 2017 Meeting
- July 29 - Clarence District Carnival

Aspiring students to succeed by challenging potential

SCIENCE WEEK

2016

DRONES, DROIDS
AND
ROBOTS.

TUESDAY 16TH AUGUST

What a day it will be!!!

Information, activities, games and more..

Small group rotation... create a robot, make a robotic hand (NASA gives us the instructions)

Create your own robot from the kits we are buying from our grant.

Share the day with your children and/or grandchildren.

I'm not sure who will have the most fun!!!
