Term 3 Week 2

July 28 2016

CLARENCE DISTRICT CARNIVAL

Congratulations to Sunny Cowper, Justin Hilder, Jaxon Moran and Satriya Pope. These fine young athletes will be competing tomorrow at the District Carnival in Grafton. We wish you all the best. Remember to focus and visualise. It works!

NIT ALERT

Today, nits are found in schools all year round however August and September are notoriously bad for outbreaks. We are asking that all girls with long hair tie it back in a ponytail or even plaits to help prevent the "little critters" transferring from head to head. Tea tree oil in water will help prevent lice jumping onto hair some/most of the time. Head lice have become very immune to the chemical solutions. Sadly, hair must be combed through with a nit comb to ensure all the eggs are removed. We understand that this is both time consuming and frustrating. Unfortunately, we are unable to check the childrens' hair or isolate a child with headlice. We will always ring parents if a child is seen to have head lice.

On a light hearted note, we were talking about boys with long hair and what they should do. The idea of man buns came up. Percy was very unimpressed and made us laugh with his look of disgust! (He has his hair beautifully tied back with a plait) "Don't go home and tell your mum Sarin. With her sense of humour, she will send you with 2 little pig tails!" Sarin turns up the next morning with a man "tail" right on top of his head! He had requested it! Thanks Sarin, you gave us a great belly laugh!

125 YEARS MEETING

We are at the final stages and well under way with our organisation. At every meeting, new information comes to light and people jump in to help by getting the message out, seeking memoirs and finding old pictures.

Everyone can remember their time at Primary School! If you are an ex-student from a long time ago or just last year, put 150-200 words down of some funny stories, interesting activities or a great memory and email it to the school. A number of younger ex-students are participating but we need more!

A new time capsule will be made on the day. Please bring along some items, letters or artefacts to place in the capsule. It will be opened at the 150th Celebration. We are having one last shot at finding the Centenary Capsule. Thanks Grahame Kratz for the update. Our groundsman will be onto it next Monday. Fingers crossed.

P AND C MEETING

What productive, well attended and enthusiastic meetings the P and C Committee is holding. The canteen menu for Term 2 has been organised, revamping the basketball rings is in progress, new school banners are being ordered, the 125th Celebrations menu is finalised, an annual calendar is in the pipeline and Amy is still going nuts with being run-around by wrong information about important forms. We are in awe of her patience and perseverance!

Requests for cakes and cooking of pumpkin soup will come out closer to the 125th.

SCIENCE DAY

The special Bots have arrived. Wow! We can't wait. Our students will be really excited when making and programming them.

Please send in boxes of any all sizes for the morning session The students will creatively make their own robots.

If you can, keep the date in your calendar and come along. Grandparents, aunties and uncles too!

Diary Dates Term 3

- July 29 - Clarence District Carnival
- Aug 16 - Science Day

- Aug 22 - 125 Yr Meeting
- Aug 27 - 125 Years Celebration

Aspiring students to succeed by challenging potential

CANTEEN

The canteen will be open WEDNESDAY, NEXT WEEK ONLY.

It will be open EVERY TUESDAY during Term 3.

Meal Deals - Cost \$4.00.

1 – Chicken Run Burger Pack. Chicken Burger (chicken breast schnitzel), Lettuce, carrot, cheese, mayo. Bag of fresh popped popcorn and a cup of milk and Sippah straw

2 – Ninja Turtle Pizza Pack. Ham and Pineapple Pizza or Bacon and Cheese Pizza. Bag of fresh popped popcorn a cup of milk and sippah straw.

The canteen committee is hoping to open on both Tuesday and Thursday if possible.

If you can assist on either of these days, the children will be thrilled. A form is attached.

Thankyou,

Joy Delaforce - Canteen Manager
