Term 3 Week 4

Aug 10 2016

125 YEAR ANNIVERSARY

With less than 3 weeks to go, we are at the pointy end of our planning.

For all our ex-students, your memoirs and anecdotes need to be in by this Friday!

We have so many funny and wonderful memories already emailed or dropped in at the office. Thank you. It was great to hear from some of our younger ex-students too. The book is off to the printers next week. Get yours in!

Start planning your old fashioned costumes for the students' special celebration here at school on Tuesday, 23rd August. Come along dressed up as a student from the old days. Prizes for best dressed! The students will have their own cake, games and activities. It will be a fun day.

WESTPAC HELICOPTER FUNDRAISER

It's this FRIDAY!

Come along dressed in **red** and **yellow** to help raise funds for the Rescue Helicopter. This service is vital in the event of an emergency. \$2 donation to participate.

MID NORTH COAST ATHLETICS CARNIVAL

We wish Satriya Pope, Jaxon Moran, Justin Hilder and Sunny Cowper a great race in the Small Schools Relay this Friday. It's a great achievement to get to this level.

2016 has been a great year for our talented athletes and swimmers.

KINDERSTART

Kinderstart will be held on Tuesday the 30 August from 8.50am till 11.20am. Please bring a drink bottle, morning tea, and a hat. Old clothes should be worn in case we do art and craft activities. For any further information, please don't hesitate to contact Ms. Bishop.

NAPLAN

This years results will be out before the end of Term 3. There has been much talk in the media about the poor results and lack of growth in students learning.

May I say, the growth between our Year 3 and 5 students, as sent to us by the Department of Education, has been outstanding resulting in our growth being rated as excelling.

Well done students and teachers. Our teacher training programs, small literacy and numeracy classes, additional support for students who require it and our high expectations are working. Very proud!

SCIENCE ROBOT DAY—AUGUST 16

Congratulations to the winners of our Robot competition. First place goes to Sunny Cowper. We are using Sunny's design for our logo. It will be at the front gate and around the school.

The following children were runners up and their designs will be our group tags on Science Day next Tuesday. Sophie Delaforce K , Lucy Stewart Year 2, Satriya Pope Year 3, Marcia Nicholls Year 4, Jaxon Moran Year 5.

Looking forward to seeing you all next Tuesday. The day starts at 9.15 am and will be running all day. *Ms Lund*

Diary Dates Term 3

- Aug 12 - Rescue Helicopter Day
- Aug 16 - Science Day

- Aug 22 - 125 Yr Meeting
- Aug 27 - 125 Years Celebration

Aspiring students to succeed by challenging potential

TUESDAY 16TH AUGUST

What a day it will be!!!

Information, activities, games and more..

Small group rotation... create a robot, make a robotic hand (NASA gives us the instructions)

Create your own robot from the kits we are buying from our grant.

Share the day with your children and/or grandchildren.

I'm not sure who will have the most fun!!!
