## BULLYING. NO WAY!

There has never been room for bullying at Tucabia Public School, yet for a few of our students it is still something that happens. As a school if we get told about it we can help deal with it. Bullying is not just physical violence or even threats over the internet. It can be any action intended to hurt someone by harming their relationships with others. Put downs are not OK and we should look for ways to include people in what we do at school, not exclude them. As students, we need to be more inclusive in our friendships. All students want to belong, have friends and feel connected and we all need to respect our peers and friends. If you are being bullied please talk with your parents and

then report it to your teacher- or any of the teachers here - who will help you deal with the problem.

## HEALTHY CHOICES

We ask that healthy choices are made when food is ordered at the Tucabia Store for lunch so as not to contravene our Healthy Canteen Policy for public schools. This policy is now mandatory across all schools. Students at Tucabia Public School are very fortunate to be able to access the store for lunches as we send our School Captains up to collect them. Very few primary schools are able to order from a shop during school hours.

So, in the interests of your child's health, please encourage them to make wise decisions.

Lunches from the shop are not available on canteen days. We do not send students up on a Tuesday.

## FATHERS DAY STALL

The P and C will be holding a Fathers Day Stall next Wednesday, 31st August here at school. Items cost between 50c and \$5.00. Lay byes may be picked up before Friday.
