Term 3 Week 7

Aug 31 2016

THANK YOU TEAM!

Last Saturday's celebration was a credit to the high regards and great fondness the local and wider community have for this fantastic little school. Tucabia Public School has delivered an excellent education to many students over many years. It was wonderful to see so many former students and teachers amongst the crowd. In fact, nine former teachers/ Principals returned for the day and were thrilled to see how the school had developed.

This was a team effort and would not have run so smoothly without everyone involved. I would like to acknowledge their hard work.

125 Year Committee: Susan Grebert, Amy Moran, Lindal Lucas, Kathy Jones, Shelley Jones, Debbie Bultitude, Laura Bultitude, Joy Delaforce, Belinda Delaforce, Jenni Emery, Roy and Jean Bowling.

The P and C, especially those who helped organise the food and help out on the day. Particular mention must go to Amy Moran. What a trooper!

My brilliant staff for their organisation and running of activities throughout the day as well as Mrs Piper who laminated photos for days!

The fellas! Damien Moran did not stop, from early in the morning to last thing in the afternoon. Even his offside on the BBQ kept those sausages coming. Also our former students, Adam and Tim Bultitude, Daniel and Jake Chevalley and Trent Sullivan, who hauled marquees with Damo, carried chairs and tables back and made the end of the day so easy. (After bombing me with a barrage of water bombs!)

Thank you to our wonderful community who cooked cakes for morning tea and pumpkin soup for lunch. Also Made Pope for bringing me a yellow rice mountain which is made for special celebrations in Bali. I was honoured!

Thanks to another former student, Stephanie Jones. How good was the cake, complete with books and pencils made from icing! What a creative cook!

TUCABIA TALES

The 125 Year book, Tucabia Tales, is still available for \$10. There are some left, along with the 100 Centenary Book & pen for \$5. Please contact the school, or pop in to the office if you would like to purchase extras.

FAREWELL TUCABIA

With a mix of sadness and excitement, I announce my retirement at the end of this Term. After 38 years of teaching and 30 as a Principal, it is time to put the pencils up and enter a new chapter of my life. I have had the most rewarding experiences at Tucabia School and hope that I have left it in a great place for the future.

Teaching has been my passion and I will certainly miss the students. That is a given! Spending each day with my staff, a terrific group of colleagues, has also been an absolute privilege. This community is exceptional and Saturday was testimony to that. Thank you to the P. and C. for your support and hard work. Your focus is always on the students and helping them receive a good education.

My replacement in Term 4 will be a relieving Principal. The Expression of Interest has just been advertised and closes in 2 weeks. Mrs Meghanne Clarke, School Director, will announce the relieving Principal soon after the closing date. During Term 4, the permanent Principal's position will be advertised.

It is another time of change for Tucabia Public School.
