## **RIISING ENROLMENTS.**

We have welcomed 7 new students over the past month to our school. Everyone is very excited but most of all our girls. More to play basketball with!! We extend a warm welcome all our new families. Our enrolment is now 43 students.

## **THANKYOU**

Thank you to the students, teachers, P and C and parents for a lovely farewell morning tea yesterday. My card from the students was just beautiful with their heartfelt farewells. Yep, I shed a small tear!

My time at Tucabia School has been exceptional. It is a fantastic school with great students and a wonderful community. Our P and C is humming along, driven by a hardworking, fun and committed team. Thank you for your initiative, drive and sense of fun. The school is in good hands.

I leave a brilliant group of teachers who constantly work collaboratively together. They have always been part of the decision making at Tucabia and will continue the programs and initiatives that have been put in place. They too have a philosophy of students first.

Mrs Woods will continue to keep the office running like clockwork. She is one of our greatest assets and my right hand woman. Thank you Traycee.

Lastly, (yes this is where I get teary), farewell to my beautiful class. I live with your children every day and know their strengths, their foibles, their humour and their fun little quirks. They are good country kids who love sport, talking, laughing and joking around...anything to get out of work!

Parents, you should be very proud of them. Each and every one is developing responsibility, resilience and maturity. Their growth in Literacy

and Numeracy is excellent and aren't they proud of themselves. (See, I can talk about them all day!) Thank you guys.

## **CRAZY HAIR DAY**
