- Rash shirt
- Dry Undies
- Towel
- Plastic bag for wet things
- Goggles if available

## Canteen

Next week is Beef Nachos. Almost taco Tuesday just better.

## Bunnings Sausage Sizzle

A huge thank you to the parents, students and community members who helped on Sunday or turned up to buy a sausage. Particular thanks to our students Emily, Jack, Ellie and Lucy for lending a hand.

## Best and Fairest

Each Friday both classes combine for sporting activities. It is great to see the kids combines to have fun, demonstrate sporting skills and most importantly quality sportsmanship.

Each week the students vote on who is the best and fairest for the week. Last week it was Rocky and Lachie.

## Cooking Up A Storm

This week it was the K-2 students who were cooking and eating a healthy meal with Mrs Peterie. Great work kids. It looked great and you were all having so much fun.

## Anonymous Donation

Last week we received a donation of \$500. The group would not give their names but insisted that it was to be used for the children.

We are currently developing some plans to add some extra playground equipment with a focus on fitness and gross motor skills for our senior students. This will be a great help to see this happen. Who ever you are thank you very much.

## **Hats off to everyone that helped with our Bunnings Sausage Sizzle Fundraiser on Sunday!!**

To some of our Parents - Bec, Luke, Tash, Amanda, Sam, Amy and Damo Your help was much appreciated! How do you like the smell of sausages now?! AND...a BIG thank you to one of our Teachers who spent a good part of their Sunday wielding the tongs for us and slicing onions! Thanks Mrs Lund ☺

Speaking of Onions – Thank you to Coles in Grafton Mall for their donations of fresh bread and onions. This helped greatly with our fundraising efforts!

Woolworths Grafton kindly donated all of the SAUSAGES! And we sold every single one of them – Thank you Woolworths!

Thanks also to Tucabia Store who donated the ice for our eskis!

By the way, did you read about some of our students in the school newsletter – They did a marvellous Job helping with setting up & selling snags! Thanks Emily, Jack, Lucy and Ellie!

You have all helped raise over \$600.00 for our school which is not bad for a (not so lazy) Sunday! These funds can go towards swim school and other fantastic initiatives which will benefit our Parents and Students at TPS.

## Floods! Storms!

The NSW SES Ulmarra will be having an open day on the 26th November from 10am—1pm to talk about local floods and severe weather events. You can see the latest flood maps and flooding models which show what happens in your local area, your street and even your house!

We would like to hear from you about how you get ready for floods and severe weather and we can show you how to find the latest information and warnings during a flood.

We have lots of ideas to help you plan and prepare for emergencies so come along and have a chat with your local SES team.

There will be boats to look at and games for the children. A sausage sizzle will be held during the day.

**See you there.**
