Term 2 Week 2

May 3 2017

Community

In my short time here I have been so impressed by the sense of community that is evident in the village of Tucabia and the wider school community. It is great to see people looking out for each other and maintaining long standing traditions.

It takes a community to raise a child is a long well known saying and it is just as true today as it was in the past.

If there is any way our school can make your experience at Tucabia PS better please let us know.
