Term 2 Week 3

May 10 2017

Autumn

This time of year reminds me of why I love the Clarence Valley. It is cool in the morning so you need a jumper but still shorts and tshirt weather during the day. With this in mind please check that jumpers have names in them or that they have not washed off. It is also the season for lost clothing as kids take them off when they get hot and dump them where they are at the time. Thanks.

Canteen

The canteen order form is attached to the newsletter. Please have it in by Monday. No orders can be taken on Tuesday.

We are looking for donations of fruit and vegetables. Any excess can be used by the canteen so if you have anything at home send it in to us it would be greatly appreciated.

Clarence Cross Country

Well done to all our competitors in last weeks Clarence Cross Country. Everyone ran very well with 4 people progressing to the Mid North Coast carnival on Friday week and the other 3 narrowly missing out.

Good luck to Jaxon, Sarin, Satriya and Ellie at the MNC carnival.

P & C

The P&C Annual General Meeting was held on Thursday 4th and the following people were elected as the P&C executive.

President—Samantha Bruce

Secretary—Jenni Stewart

Treasurer—Amy Moran

Helpers are required for the Mother's day stall which is being held at School on May 11. Anyone who has a spare hour to help out would be most welcome.

Reminder that we have new stocks of uniforms just arrived in time for winter. See our attached price list.

Mothers Day Raffle

Please send in money and tickets tomorrow, Thursday.

NAPLAN

Year 3 and 5 are currently sitting their NAPLAN testing. Well done on your efforts.

Diary Dates Term 1

- May 11 - Mother's day stall
- May 9, 10, 11 - NAPLAN
- May 17 - K-2 Mini Olympics Wooli
- May 19 - Mid North Coast Cross Country

Aspiring students to succeed by challenging potential

TOWARDS ZERO

Road Safety Plan 2021 **Stakeholder and Community Engagement Program**

An opportunity for school principals and their communities

About the Road Safety Plan 2021

Transport for NSW, in partnership with key delivery partners, stakeholders and the broader community, is developing a plan to map out priority actions to meet the Road Safety Strategy 2012-2021 targets for reducing road trauma.

The Road Safety Plan 2021 will detail initiatives for the next four years to meet 30 per cent reductions in deaths and serious injuries. It will also position NSW to achieve the longer term target of a zero road toll to support the Future Transport strategy which is being developed this year to establish a 40-year vision for transport in NSW to meet the long-term needs of transport customers.

Development of the Road Safety Plan 2021 will draw on:

- An examination of crash information to understand the factors involved in the crashes in NSW
- Evidence from Australia and worldwide about what has been proven to be effective in saving lives and reducing serious injuries
- Feedback from stakeholders and the broader NSW community.

Opportunities to have your say

Safety is a shared responsibility and so input from communities and stakeholders across NSW, including your school and community, is critical for developing effective measures to reduce road trauma.

Two-hour forums for stakeholders and community members will be held in **Wagga Wagga** (10 May), **Dubbo** (15 May), **Wollongong** (17 May), **Parramatta** (18 May), **Sydney CBD** (23 May), **Newcastle** (24 May), **Scone** (29 May), and **Coffs Harbour** (31 May).

For details and to register to attend, visit www.transport.nsw.gov.au/roadsafetyplan2021.

An online survey and discussion forum will also be accessible via the website in May.

I strongly encourage you to participate in our engagement program during May and would appreciate if you could also promote these opportunities within your school community.

Bernard Carlon
