Term 2 Week 10

June 28 2017

School Rules.....#3

I respect the schools and others belongings

This has two key and closely related concepts together.

1. School property is here to allow every student to have the best opportunity to succeed and thrive at school. Any deliberate damage to these resources has a direct impact on all students. Just as would happen for any other malicious damage to public property we would expect for individuals at our school to atone for any deliberate actions that damages our property. We treat it very seriously.
2. If a student brings belongings to school we do insist that they take responsibility for looking after it as it is a part of growing up and also realising that accidents do happen. Conversely if student/s deliberately damage, misuse or take another students belongings they are not only breaking a school rule but also a social rule too. Lost of trust and respect from your peers has significant long term ramifications for individuals.

Be careful with things that do not belong to you and never deliberately do damage to anything.

Satriya Spelling Super Star

Well done to Satriya who came second in the small schools spelling bee. Well done to Emelia, Jaxon and Marcia who also performed well and were happy with their achievements.

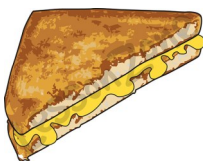

Canteen

I hope you have already ordered your sausage sizzle for Friday. There will also be some cakes and tea/coffee available for adults on the day. Canteen will be operating 1st day back next term. There will be toasted sandwiches which can be ordered on the day. An order form is attached today for this.

Athletics— FRIDAY

The Athletics carnival on the last day of this term Friday 30th commencing at 11am after an early recess. It is crucial

that this happens as the Small Schools Carnival is on Thursday 20th July at Junction Hill.

Reports and Teacher Meetings

Today your child received their Semester 1 school report. It was great to read about the great effort students are putting in and the successes they are achieving.

Along with the report there is a form offering you an opportunity to discuss your child's progress with their teacher and look at what goals that are being set short term and long term for your child. Please complete this form and return it ASAP.

Small Schools, Big Impact

The biannual small schools concert held at the Saraton Theatre is happening again this year on Wednesday 23rd August and we will again be participating. All students K-6 have been working on their gymnastics and circus skills to produce a big top extravaganza. Tickets will go on sale early next term and we will receive a limited number. There will be no tickets available on the night so you must order and pay before hand. More information will follow next term.

P&C Cake Donations

The P&C are running the canteen at this years Small School Athletics carnival. They would like the donation of some cakes/slices etc to sell on the day. Refer to the flyer in this newsletter for more details.

Diary Dates

- June 30 - Athletics Carnival, last day Term 2
- July 17 - Staff Development Day

- July 18 - 1st day Term 3 for Students
- July 20—Small Schools Athletics
-

NAIDOC Celebrations

What a wonderful day today. Well done to the students and all the work they have completed on Indigenous culture. A special thanks to Mrs Lund for her wonderful effort with the Aboriginal art and the work on each student making their own personalised shirt. Thanks to Mrs Chant and Mrs Piper for their help with the K-2 shirts also.

A big thanks also to the P&C who donated old design school shirts for this to happen. The shirts will need to dry thoroughly and have the paint set. The shirts will come home Friday.

The indigenous games were a great success due to the leadership of Percy, Marica, Dylan and Jaxon. Well done seniors.

Kindly Requested - Donations of Local Made Cakes, Slices & Scones

Tucabia Public School will be participating in the annual Small Schools Athletics Carnival on the 20th July at Barnier Park Junction Hill and for this event our School P&C will be running the Canteen!!!

We are in need of as many delicious donations as we can get to help cater for lots of hungry Kids, Teachers and Families from nine small schools in the Clarence Valley.

All donations can be received by Tucabia Public School on the day before the carnival or can be delivered to Junction Hill on the day.

**Tucabia Public School P&C Committee thanks
you for your support!😊**
