Term 2 Week 7

June 7 2017

## School Camp

Deposits were due last Friday. I suggest people begin to make periodic payments to eliminate a huge final sum at the end. I will know an exact total soon now that I have final numbers.

## Aboriginal Education

We are having an intensive 4 week program looking at Aboriginal language, culture and history. We will be looking at Aboriginal base literature, gaining knowledge about the local Aboriginal land, tribes, languages and what makes our area special. We will be completing activities including fabric painting and art, Indigenous games and story telling.

I am asking if there is any Aboriginal people in our community that would like to come to any of our classes to see what we are doing, offer advice or talk to the children we would very much appreciate it.
