Term 2 Week 9

June 21 2017

School Rules.....#1

I let others learn and succeed.

Unfortunately for many children a significant blocker to their success can be the behaviour of other students. This rule makes it clear that if you are going to behave in a way that stops teachers teaching or stop students learning it won't be tolerated.

I am sure this is an expectation that is also mirrored at home in your expectations that students come to school to learn and anything that gets in the way of that should be dealt with.

We encourage all students to be the best they can be but also encourage and celebrate the success of their peers as well.

Small Schools Spelling Bee

Good luck to Satriya, Jaxon, Marcia and Emelia who will be representing us at the Small Schools Spelling Bee tomorrow in Iluka.

Canteen

AS we are moving the athletics carnival we are also moving the canteen. It will now be on Friday too. There will also some cakes and tea/coffee available for adults on the day.

Orders MUST be in by Wednesday, 9:00am.

Awards

Well done to Adrian, Eloise and Eli who achieved their Bronze award last Friday. What a great effort.

Athletics— NEW DATE

AS a result of the last 4 weeks of rain we have had no athletics practise and it will still be way too wet to compete next Tuesday. It will be too dangerous to do any jumping events and the running events will be a wet affair too. We are hoping that it dries up enough to have some practise late this week and early next week.

We will now have the Athletics carnival on the last day of this term Friday 30th commencing at 11am after an early recess. It is crucial that this happens as the Small Schools Carnival is on Thursday 20th July at Junction Hill.

NAIDOC

Next Wednesday we will be doing 2 separate activities as part of our NAIDOC celebrations. From 9:30—11:00 students will be finishing their Aboriginal Artworks which they are now transferring onto a shirt to create wearable art. After recess we will be having an assembly and participating in some Indigenous games until 12:30.

These games are going to be lead by our senior students and staff.

All members of the community are welcome to come to any or all of the activities.

LMBR

This is what will dominating our administrative area for the following 10-12 weeks. The department of education is rolling out a new system to deal with Finance, Student Administration, Student Management and Student Wellbeing. Mrs Woods, Mrs Piper and myself have been doing preparation at school and are now beginning 8 weeks of intensive training. This will mean some slight changes for parents and the community (which we will let you know about in time) but will have major implications for how the administration is done within our school and across school.

It is replacing a system that was implemented in the early 1980's so it about time but won't make it any easier.

Diary Dates Term 2

• June 21—P&C Meeting 3pm

• June 22 - Small Schools Spelling bee

• June 27 - Athletics Carnival
