## School Rules.....#6

### **I Attempt All School Activities**

Our teachers spend countless hours preparing and marking learning activities to cover the mandatory content prescribed by the NSW Dept. of Education who are in turn accountable to the NSW and Australian government. Each activity whether it is practicing times tables, reading a story, painting a picture or playing a game of tag has a specific purpose and meet the needs of students. Completing all set work is what is best academically for every student.

Students who believe they can choose what they do and do not do also set up a poor pattern of behaviour for life. Too many people opt out when things get tough or do not have the persistence to see a job through. Not everything in life is fun or easy, sometimes you have to do the hard stuff. It is the people who put their heads down, work hard, strive to do their best and learn from their mistakes that are the ones who achieve real success and quality happiness in their lives.

## Canteen

Next week we are having home made sausage rolls. Yeah!

## Mid North Coast Athletics

Well done Satriya, Jaxon and Summah who competed at the Clarence Carnival last Friday.

Special congratulations to Satriya who was Junior boy champion for 2017. Satriya now heads to Coffs Harbour for the Mid North Coast. Good Luck.

## Senior Camp

We are off to Brisbane next week. I will do my best to update Facebook with some daily pictures. It is getting exciting.

## Small Schools Big Impact

The concert is on again this year and every student is involved. It is on Wednesday 23rd August at the Saraton Theatre. The concert begins at 6PM and doors open at approximately 5:30pm.

Tickets are on sale at the Saraton or you can use the attached booking form. On

Tuesday 15th I will go and buy any tickets ordered through the school. Tickets are \$3 per seat and all people entering must have their own seat, including toddlers.

## NAPLAN ONLINE

There is some stories in the media regarding NAPLAN Online. This will be happening at Tucabia but will not have a major logistical impact on our small but well resourced setting. Students from year 3 and 5 will be sitting a number of trials during week 7 this term. More information will follow.

## P & C - Fundraiser

Amended date. The orders for the let it grow fundraiser is August 18th. Please support our kids through this initiative.

## Woolworths Earn and Learn

Don't forget to collect your stickers from Woolworths. It is well worth the effort.
