Term 3 Week 7

August 30 2017

## NAPLAN Online

The testing period has completed without a hitch. The students were able to log on and complete a variety of tasks quickly and they said it was far more enjoyable than the paper and pencil tests from earlier in the year.

Dept of Education are looking at doing NAPLAN online from next year as they believe it is easier to deliver, gets marked and results are available in a fraction of the time and it saves a mountain of resources in its delivery, marking and administration.

## Science Day

The Science Day is on tomorrow, Thursday 31st August. It is from 9:30—11:00 with a Brain Break morning tea afterwards.

Thank you to the people who have said they are coming and will be there for the morning tea.

One last plea for large clear plastic bottles. If you have any send them in tomorrow.

## NRL Development

We have begun a 3 week program with Anthony Donovan from the ARL. He is delivering sessions involving developing all manner of skills incorporating the use of rugby league. The kids are having a great time.

## CSI

Applications close tomorrow and need to be at the high school by 3pm. The testing is on next Friday 8th Sept at SGHS.

## Canteen

Next week we are having home made beef pies. YUMM!!

## P & C

The Father's day stall will be held this Friday with a great range of gifts for Dad. Prices range from \$2—\$6. A reminder to return all raffle tickets for the draw on Friday.

## Life Education

The life education van will be at our school on Monday 4th Sept to deliver lessons to our students.

The note is attached to the newsletter but if it is not completed and returned with the money before 9:00 am Monday Morning students will not be able to attend the Life Ed Van session and to receive the workbook.

## 2018 Kindergarten

We had our first kindy orientation day yesterday. It was fabulous to see all the eager kids getting ready to come to our school next year.

If you know of any other children who will be coming to Kindergarten next year let them know that orientation has started and to contact the office to be involved in the next day.

## Earn and Learn

Keep reminding friends and family to get the stickers and put them in our box. Every sticker counts and the equipment we get is awesome.

## Diary Dates

- Aug 31 - Science Day

- Sept 1 - Father's day stall
- Sept 4 - Life Education
