Term 3 Week 8

Sept 6 2017

Early Action For Success

I mentioned earlier in the year that we were lucky enough to have an additional school leader working in our school for 1 day a fortnight. Mrs Everleigh was discussing with me all the wonderful successes that are occurring in the K-2 classroom. It is fantastic to see all the innovative classroom practise happening, to see the data showing remarkable growth and best of all the kids are so happy that they are learning so much. Well done Mrs Bishop. Well done kids. Look at the exciting things happening in Maths.

Science Day

Thanks to the parents who attended the Science day. Also a very special thank you to Mrs Lund who spent countless hours preparing activities, resources and technology components to make it such a successful day.

NRL Development

Another great day last Friday. Kids are having a ball.

CSI

Good luck to the four students participating in the CSI testing at SGHS this Friday.

Canteen

Next week we are having sweat and sour chicken + rice. I can't wait.

2018 Kindergarten

We had our first kindy orientation day last week and our next one is next Tuesday.

If you know of any other children who will be coming to Kindergarten next year let them know that orientation has started and to contact the office to be involved in the next day.

Life Education

Wow. What an engaging, informative and educational presentation. The kids were buzzing with the positive messages of healthy lifestyle choices and tobacco related topics. The ongoing lessons in class will be invaluable.

Diary Dates

- Sept 12 - Kinder Orientation

- Sept 22 - Last day Term 3
