Term 3 Week 9

Sept 13 2017

## Maintenance

It is just over a week until the school holidays but instead of it being quiet at school there will be plenty of action. We are having 2 building works and 2 periodic maintenance jobs (pest control and carpet cleaning) occurring.

The larger jobs are:

1. The admin block is having the roof replaced. It has been deemed to be below acceptable standard: also guttering and down piping too. At the same time there will be insulation installed which we are very pleased about as it is freezing in winter and boiling in summer.
2. The student toilets are to be overhauled. This will include tiling to head height, painting and replacing some fixtures. This is much needed.

## School Assemblies

It is great when parents have to time to come to our weekly assemblies. The beaming smiles on kids faces when they receive praise or deliver their work to an audience is priceless. Our assemblies are on Fridays starting at 11:30

and generally go for 30 minutes.

Well done to last weeks award winners.

## Canteen

I would like to again to say thank you to Joy, Samantha, Jenny, Natasha, Belinda and Jasmine who regularly work in the canteen on a Tuesday. They produce simple, delicious food for your kids (and me) which we all appreciate so much. If you would like to help, even once a year, come in on a Tuesday and have a look at what is involved. You will be surprised how simple it is to contribute.

Next week will be a sausage sizzle for the end of term.

## P&C

The P&C will be having it's term meeting tomorrow morning, Thursday, at 8am in the library. Please come along and see what the P&C does and how you are able to help your child's school be a more productive environment to learn and play. At this meeting I will be discussing future directions for the school as a new strategic plan for 2018-2020 has to be written. I need to address targets related to students, teachers and the school community and I need your input. This will be a great forum to help me plan for the schools future.

## 3-6 Presentations

A reminder to 3-6 parents that students will be presenting their major project for the term on Wednesday 20th at 9am in their classroom. If anyone is available to be part of the audience the students would greatly appreciate it.

## Tourism

## Earn and Learn

Woolworths have stopped handing out the stickers. Thank you to the people who put them in the box at shopping world.
