Term 1 Week 2

Feb 7 2018

## Welcome Back

It has been great to see everyone this year. Welcome to our new kindergarten students who have already settled in well and are making a great contribution to our school.

## Welcome Staff

I would like to formally recognise our 2 new members of staff who have joined us for this year. Miss Dusty Bebbington is teaching our K-2 classroom and has already created a warm and dynamic learning environment that would be the envy of most schools.

Mrs Necia Creighton is performing a support and leadership role for the year and brings a wealth of early learning experience from a variety of schools. Her focus on driving school and student improvement will prove invaluable throughout the school year.

## Swimming Carnival

Our combined swimming carnival with Ulmarra, Cowper and Nymboida went very well. Everyone had a great time and there was some good performances in races too. Good luck to Satriya, Kirana, Lachlan, Summah, Sarin and Percy who will be representing us at the Small Schools Carnival on Thursday 15th.

## Canteen

Our will again run on a meal of the week format as it did in 2017. This format proved very successful and was openly praised by North Coast Health Promotion Office, Ms Kate Collins for how well we utilised the healthy canteen requirements. Please find attached the menu for the term. You are able to arrange this weekly (Monday morning at the latest) or you might like to organise the whole term in one go and free up the worry of Tuesday lunches for the whole term.

Next week is chicken and salad wraps.

## CSI

We have student attending CSI (Clarence Science Initiative) this year at South High. Student attend every two weeks for specialised science lessons with other students from around the Clarence Valley. We hope they have a great time and learn lots of new skills.

## School Fees

We have again reduced the number of school text books and have therefore reduced the price of school fees. School fees are \$40 per

student with a maximum cost of \$100 per family. Please see Traycee in the office to organise this payment or use our online payment option through the school website, selecting Voluntary School Contributions.

## Diary Dates

- Feb 15 - Small Schools Swimming Carnival

- Feb 15 - CSI begins
- Feb 22 - Clarence Swimming Carnival

## Online Safety

Students in 3-6 have been working on skills to keep themselves safe while online. I would like to tell you some of the key messages they have been learning.

- ***Don't put personal details where strangers can see them.***
- ***If people are being rude or mean leave that online area.***
- ***If people are being bullied or are in trouble offer to help them or get help for them.***
- ***If there is something wrong Report it to someone in charge or Tell a trusted adult.***
- ***Never meet a stranger you met online.***

The biggest message for us as parents and carers is to regularly talk to your kids about what they are doing online. If your kids were going to the park you would want to know who they were hanging around and what they were doing, think of this as the same thing.

### ZIP IT

Keep your personal stuff private and think about what you say and do online.

### BLOCK IT

Block people who send nasty messages and don't open unknown links and attachments.

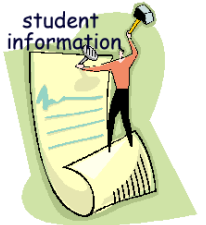

### FLAG IT

Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.

## Student Information

This week we have sent home forms that need to be filled in so we can update our files. Parts of the forms also give student permission for various activities within the school. Please complete the forms and send them in asap.

## Fridge for sale.

We have recently upgraded the refrigerator in the staff room as a normal part of equipment management. We now have the old one to sell.

It is a 300L Fridge Freezer which you may come and look at.

We will be using a tender process to sell it in accordance to Departmental Regulations.
