Term 1 Week 5

Feb 26 2020

## Clarence Swimming

Congratulations to Kirana who came 1st in breaststroke and 3rd in the medley. She will go to Coffs Harbour for the Mid North Coast carnival tomorrow.

Our PP5 relay team will also compete.

Good luck to Summah, Kirana, Lucy and Zane at Mid North Coast Zone Carnival tomorrow.

## Canteen

This week Janice and Made will be making Bacon and Corn slice. Last orders was this morning.

Next week Sam will be making BLT burgers on Friday and Jenny is making chicken/salad sandwiches on the following Monday. Get you orders in by Wednesday.

## Assembly

Thank you to everyone who attended last weeks assembly.

Well done to the students who presented their work.

Congratulations to the students who were recognised for their hard work throughout the week with merit awards.

## Clean Up Australia

We have altered our timing for clean up Australia day this Friday. It will commence at 10:30am. This will allow time for the grass to dry and make it less uncomfortable to be outside.

We are not permitted to put insect repellent on students so I suggest students apply it before they leave home in the morning.

Any member of the community is free to join us.

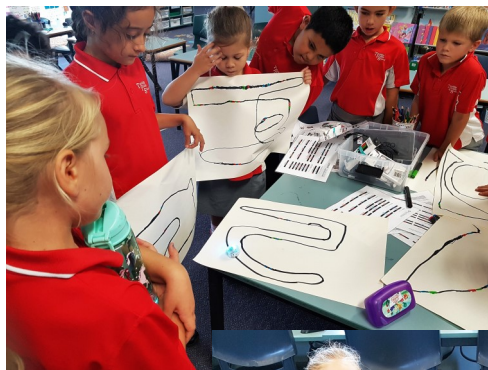

## Garden

We have finally been able to get some planting done in the garden. Months of drought then rain has made it difficult. Thanks Emily and Mia for helping get some snow pea seeds in.

## STEM Activities

Science Technology Engineering and Mathematics activities were happening at school today. We have some robotics kits that we have borrowed for a few months and today was the first taste of it for children. They had a great time but also experienced many frustrations. This is a part of any new learning.
