

Principals Message

NAPLAN

Last week, our Year 3 and 5 students completed the NAPLAN assessments. They had the chance to show their skills in literacy and numeracy, reflecting what they've learned. We're proud of their hard work and determination during this testing period, and now we are looking forward to seeing their results. Let's continue to support them as they progress in their education.

P&C Meetings

We held our P&C AGM, and I would like to thank Sam Bruce (President) , Amy Moran (Treasurer) and Amanda Collett (Secretary) for taking up positions on the executive team.

Parental involvement is the key in making our school community vibrant and inclusive. To ensure that our events are accessible to as many of you as possible, we're conducting a brief survey to determine the best day, and time to host future gatherings and activities. Your participation will help us plan events that cater to the majority of our community's schedules, fostering greater participation and engagement. <https://www.surveymonkey.com/r/V777YZJ>

Thank you for your continued support in making Tucabia Public a welcoming and thriving community for all.

Important Dates

- Tuesday 26th March
6-7 Parent information night SGHS
- Wednesday 27th March - Easter hat parade 9.30am
- Thursday 28th March - Cross Country
- Friday 29th March - Good Friday (No School)
- Monday 1st April - Easter Monday (No School)
- Thursday 4th Year 6 Transition Day SGHS
- Friday 5th April Assembly 9am start

Swimming Carnival

We are all so very proud of our relay team getting through to the North Coast Swimming Carnival. While we may not have secured the top spot this time, the dedication and teamwork displayed by our athletes were truly commendable. Their resilience and sportsmanship serve as shining examples for our entire school community.

Veggie Crunch

K-2 students eagerly participated in the annual Veggie Crunch! They had a great time exploring different vegetables and learning about healthy eating habits. It was wonderful to see them enjoying crunchy carrots, crisp cucumbers, and other nutritious snacks. The event was a fun and educational way to encourage them to incorporate more veggies into their diets. Kudos to all the students who jointly contributed to the Veggie Crunch Poster.

Easter Hat Making

We had a delightful visit from our preschool students on Wednesday morning, who joined forces with our K-6 students to get creative and make Easter hats! It was a wonderful opportunity for our students to come together, bond, and engage in a fun-filled crafting activity. With colourful paper, feathers, stickers and plenty of glitter, our budding artists let their imaginations soar as they designed their Easter masterpieces. The atmosphere was buzzing with excitement and laughter as everyone worked side by side, sharing ideas and showcasing their creativity. It was a heartwarming sight to see our students of all ages collaborating and having a blast. Special thanks to our preschool teachers and K-6 staff for organizing such a memorable and inclusive event!

3-6 Camp

Students embarked on an unforgettable overnight camp adventure on Thursday and Friday this week! Packed with excitement and camaraderie, the camp provided a perfect opportunity for them to bond, explore, and create lasting memories. From thrilling outdoor activities like swimming in the river and visiting the castle to cozy campfires under the starlit sky, every moment was filled with laughter and joy. The students embraced new experiences, developed valuable life skills, and forged deeper connections with their peers and teachers. It was a fantastic opportunity for personal growth and learning outside the classroom. We're immensely proud of all our campers for their enthusiasm and positive spirits throughout the journey. A big thank you goes to Therese Dwyer for taking our students on camp and for looking after them so well. A thank you also to Ashli Ware, the principal at Baryguil Public School, for organising everything from the food to the activities.

Year 7 Catch Up

It was lovely to see the smiling faces of Tucabia Public's 'Year 7' students at a BBQ last week. They were brimming and desperate to share all the fun activities and high school adventures they have had since arriving at South Grafton High School.
